THE DESTINATION

Discover a destination off the coast of Tanzania, steeped in legend and mystery, an evocation of the exotic.

Stroll the tumbling streets of Stone Town, be lulled by the Arab tones of Swahili, inhale the lingering fragrance of the spice plantations.

At Essque Zalu Zanzibar, create your own personal paradise, your own kind of luxury, an experience of a lifetime.

If you have a day or two, amble through Stone Town, the world's oldest Swahili coastal trading city and a UNESCO World Heritage site.

Browse the curios in the bazaars or just mosey around the mosques and temples. If the history of rock music is your passion, check out the birthplace of the legendary Freddie Mercury!

Board a traditional wooden dhow and set sail for Prison Island, a former detention center for the African slaves, nowadays just the spot for a sunbathe or snorkel with giant tortoises.

If nature is your thing, chance a sighting of bottle-nosed dolphins or dive amidst local marine life and world-class coral reefs.

Catch a glimpse of the fishermen as they pull in their nets, whilst the ladies gathered on the beach dressed head to toe in colorful clothes await for their husbands to join them.

SLUMBER

WINE & DINE

From farm to table, we take great pride in our sumptuous cooking. Satisfy your taste buds with a choice of two unique restaurants, three well stocked bars and a variety of destination dining experiences.

MOSHA COOKERY STUDIO

Built in the traditional style, with a rustic thatched roof but state-of-the-art cooking facilities, the studio has been dedicated to native Tanzanian Sous-chef Rose Mosha, who has been developing the cooking classes over her six years with the resort. They are now a much in-demand signature fixture, teaching eager students from around the world how to prepare mouthwatering traditional dishes and sample the best that the 'Spice Island' has to offer.

MARKET KITCHEN

Our all-day dining, deli-styled restaurant serves cosmopolitan fare, from a gastronomic spread of crisp salads, cured meats and the freshest seafood, to breads straight from the oven and mouthwatering desserts and cheeses. Dishes are accompanied by carefully-selected vintages, exemplifying Chef Anuraag's belief that wine from the same hemisphere complements local ingredients, whilst also minimizing food miles.

DESTINATION DINING

Hover over the water, dine beneath the stars, dance with the flames or let your fantasies create a new dining reality. With our varied selection of dine-by-design experiences, your culinary adventure knows no bounds.
