South Hammamet, 1<sup>st</sup> coastline. Meals: Bed & Breakfast (BB), Half Board (HB)

## THE HOTEL

It's a prestigious club hotel that has its life-long and devoted fans who have the same values, behavioural norms, lifestyles and occupation.

In the off-season – in spring, autumn and winter – the hotel is popular with golf enthusiasts. In summer the hotel is a favourite place of young people aged 25+, who can be called quite wealthy. They are attracted by the status of the place and a wonderful infinity pool.

At the same time, seniors – elderly clients – are also regular guests of the hotel all year round. They like the hotel for its beautiful green territory, the lack of active animation, live music in the evening (the piano, saxophone), the variety of restaurants and a la carte dinner four times a week.

- The hotel reserves the right to change the list and terms of provided services before the start of the season, and even during the season, in accordance with current circumstances if these circumstances don't affect the conditions of tourists' stay significantly.

## **TOURIST TAX**

- According to the law of the Tunisian Republic which came into force on December 8, 2017, tourists traveling to Tunisia must pay a hotel tax on arrival to the hotel.
- The tax is 3 TND per person per night in four- and five-star hotels, 2 TND per person per night in three-star hotels, and 1 TND per person per night in two-star hotels.
- The maximum number of nights the tax can be charged is seven, so customers staying longer than seven nights will only be charged for the first seven nights of their stay. If tourists stay in a hotel for less than a week, they pay only for the actual number of nights.
- Children under 12 are exempt from paying the tax. If a child turns 12 in the first week of a hotel stay, from that moment the tax is charged for the number of nights remaining till the end of that week.
