

## LAGOON ATTITUDE

The eco-committed hotel for adults with a chilled seaside vibe.

## POSITIONING

### 4\* HOTEL

The 4\* Lagoon Attitude is an eco-committed hotel settled on the shores of one of Mauritius's largest lagoons. It edges a protected coast on the north side of the island and is reserved for adults only, offering a chilled seaside vibe.

Lagoon Attitude lives and breathes Attitude Hotels' Positive Impact movement. From a ban on single-use plastics to its self-service Bulk Shop, everything has been thought about here when it comes to sustainability. Guests can take part in eco workshops, join a snorkelling trail at the Marine Discovery Centre, or pick up one of the hotel's blue net bags for a quick beach clean. Lagoon Attitude is Travelife Gold certified for its continuous efforts towards social and environmental sustainability practices.

There are 182 rooms at the hotel, some with an outdoor whirlpool. Places to relax include the infinity pool and new Spa POZ, which has a great selection of treatments inspired by nature. Lagoon Attitude has five restaurants and five bars, with a Dine Around culinary experience on offer. Guests can also choose to take part in the hotel's Otentik experiences, such as dining in a local family's home.

Lagoon Attitude is ideal for a fun or a peaceful holiday with a choice of 3 very different atmospheres: the Otentik area hosting Kot Nou and Taba-J, the authentic Mauritian restaurants; the lively area with its Seabreeze Bar, facing the sea; and a peaceful area hosting an infinity pool and a gastronomic restaurant.

The staff, known as Family Members, will go above and beyond to look after every guest throughout their stay here – they are a true reflection of warm Mauritian hospitality.

### ZERO SINGLE USE PLASTIC

Suppression of all single-use plastic items for the guest experience

### MINERAL SUNSCREEN

100% natural and non-polluting. This Made in Mauritius product reduces the risks of damage on coral and underwater life. Available for free at the hotel, during your entire stay!

### SNORKELING TRAIL

With a mask and a snorkel discover this underwater marine zone. Although wet and fun this consciousness-raising activity is educational and allows all to be aware of the fragility of underwater life and of the urgency to protect it.

### UPCYCLING

Upcycled decorate items and pieces of furniture are fully integrated in the hotel's rooms and common areas.

### ECO-WORKSHOP

Creation of objects, giving a new life to scrap: mineral sun cream, bags etc.

### BLUE NET

Even picking up the smallest rubbish is a great contribution to cleaning our ocean. We can all volunteer to be eco-responsible and we encourage our guests to do so. (Every little bit helps!)

An educational and interactive center whose purpose is to show and protect the treasures of the island's lagoons as well as support the Anse la Raie lagoon ecological restoration project. Come and meet our scientists who will share their passion for the ocean with you!

# Positive impact

Now is the time for action. For positivity. To create a future where travel benefits all.

There is always room to grow, new goals to achieve, so Attitude Hotels has launched a Positive Impact movement. We're joining forces with our business partners and our guests to form a collective force for good.

## OUR 3 COMMITMENTS

To commit ourselves is important, but to act is even better! We have removed single-use plastic in our guest experience, and introduced a Bulk Shop so guests can help themselves to tea and coffee for their room in reusable glass jars. We use seasonal and locally-grown produce for our dining wherever possible; and only offer non-motorised watersports for a peaceful and marine-friendly experience.

We also encourage guests to learn about the island's culture through our Otentik (authentic) experiences. This could be having dinner with a local family; meeting locals in fishing villages where time seems to have stood still; or discovering the eclectic street food scene in the capital of Port Louis.

When our guests relax in their Attitude hotel, they can unwind in beautiful spaces with furniture and decorations made right here on the island, helping support our local economy.
