WELCOME TO A NEIGHBOURHOOD OF CREATIVE CONTRASTS

On the doorstep of Dubai Downtown, as super-shoppers and young creatives mingle between the Design District and the Dubai Mall, watch the city's electrifying contrasts come alive at the Hotel Indigo Dubai Downtown.

Inside, decades of vibrant culture inspire carefully curated rooms with lavish mother-of-pearl bathrooms, funky Moroso designer chairs and envy-inducing views. Hone that beach bod in the gym, find some headspace in our yoga studio or just freestyle it out in the 25-metre infinity pool.

Outside, cruise the relaxing vibe of the waterside as you explore the city's galleries and hotspots, or hang with the locals over locally roasted speciality coffee and contemporary Levant cuisine at the Neighbourhood Café.

As night arrives, swing over to our signature cocktail bar for a uniquely crafted cocktail infused with local flare, and experience views of the city skyline you'll never forget as you chill with beats and shisha at the Pool Deck. And when it's time to go, bring a slice of the experience home with you with a unique piece from our concept store.
