Facts

The Story of a Brand New Mediterranean Culture

Imagine the enchantment of the Mediterranean. Or how spiciful life is in southern Italy. Prepare yourself for a mysterious journey down a side street that leads to the sea in Byblos. Or surrender to the seductiveness of Latin America. This is where all the "ors" and "ands" become one. **This is Bel Paese... This is Pura Vida...**

Imagine a world map tailored just for you, where differences turn into richness **and be ready** for an unforgettable experience on this map. Think of getting lost in endless sparkling entertainment.. Or simply being in the moment, listening only to your inner voice, focusing on **the sea, the sun, and nature...** Surrounded by stunning brands and venues that engage all your senses. This is where a Cannes night turns into a Banwa morning. Imagine a tailor made map of mysteries, **and be ready** for a brand new experience where the unfamiliar becomes surprises. For those who surrender themselves to a fairy tale... For those who leave everything they know behind... For those who savor the unhurried pace and find peace in the flow... Those who create their own exclusive community on a beach around fire, in the notes of a song rising from the stage, at an evening dinner gathering, in a rejuvenating SPA pool, and *in the laughter* of children whose joy is evident in their eyes... Be ready for an experience in a world tailored just for you, with people who share your desires for today and that you'll always want to remember. Different cultures, different identities, different worlds, and different dreams together, here, as one... It's all in **Ethno's DNA**. And the impact they will have on your life together is unique!
